[www.nile-elt.com](http://www.nile-elt.com)

Identify the words or phrases which make this sketch funny.

You may have come up with some of these...

black spots

orange

apple

egg box £3.60 (X-box 360)

frozen

desktop

trash

blackberry

mouse

windows

out of juice

date

boot

crash

dongle

Is there an odd-one-out among these?  
What do the others have in common?

Padlet in assessment of learning

How could a tool like this feature in assessment of / for learning?  
Add your thoughts...

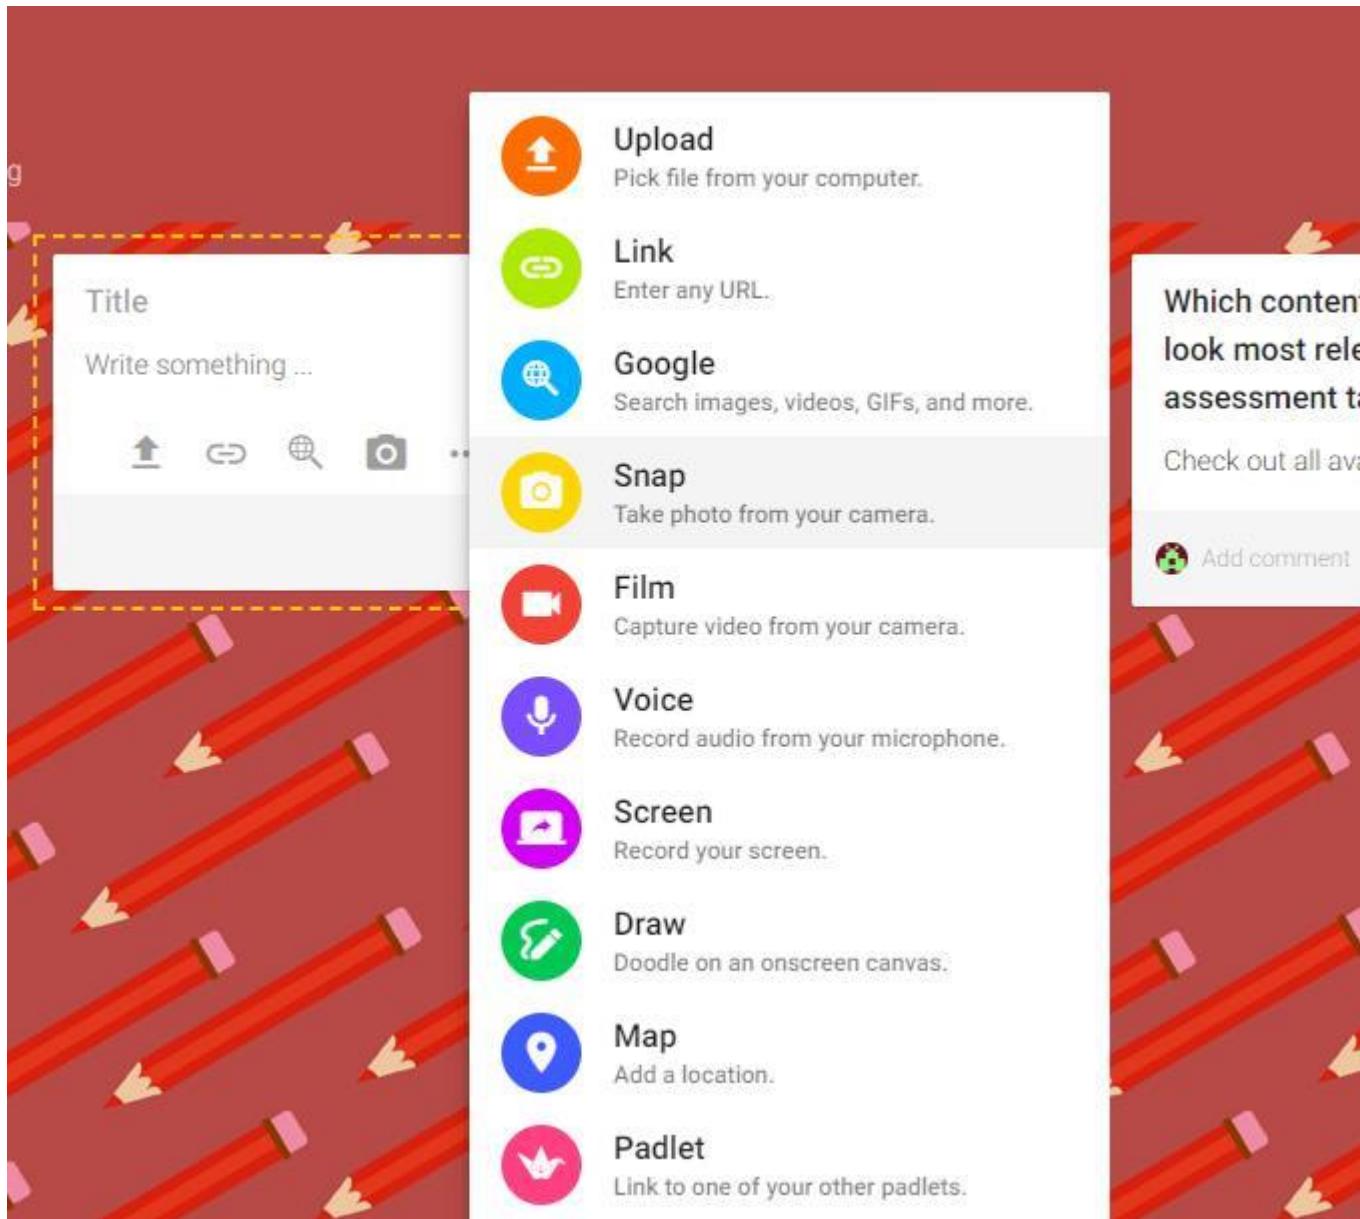

Add comment

Which content upload options look most relevant to assessment tasks?  
Check out all available...

Add comment

+

The image shows a screenshot of the Padlet application interface. The background features a pattern of red pencils on a light red surface. On the left, there is a white input box with a dashed border containing a title field and a text area with placeholder text 'Write something ...'. Below the input box are several icons: a blue arrow, a red link, a green search, and a yellow camera. To the right of the input box is a vertical list of content creation options, each with an associated icon and a brief description:

- Upload** (Orange circle with an upward arrow): Pick file from your computer.
- Link** (Green circle with a link icon): Enter any URL.
- Google** (Blue circle with a magnifying glass): Search images, videos, GIFs, and more.
- Snap** (Yellow circle with a camera icon): Take photo from your camera.
- Film** (Red circle with a video camera icon): Capture video from your camera.
- Voice** (Purple circle with a microphone icon): Record audio from your microphone.
- Screen** (Pink circle with a laptop icon): Record your screen.
- Draw** (Green circle with a pencil icon): Doodle on an onscreen canvas.
- Map** (Blue circle with a location pin icon): Add a location.
- Padlet** (Pink circle with a Padlet icon): Link to one of your other padlets.

On the right side of the interface, there is a vertical sidebar with the text 'Which content look most relevant to the assessment target' and 'Check out all available content'.

**I. Underline the correct answer.**

- 1 I didn't read the newspaper article in detail. I just glanced / stared at it.
- 2 I like hearing / listening to the radio first thing in the morning.
- 3 She asked us to see / look at the blackboard.
- 4 I think you've got Joanne's phone number in your address book. Can I have a look / examine?
- 5 Guess who smacked / tapped me on the shoulder as I was walking to college?
- 6 Do you laugh if someone itches / tickles the sole of your foot?
- 7 If you can't carry the suitcase, just drag / rub it along the ground.
- 8 Now, children, stand in line and don't push / pull!
- 9 Simon says, 'Clap / Smack your hands.'
- 10 Can you spot / notice the difference between these

Edpuzzle

The screenshot shows the Edpuzzle interface. A video player is in the foreground, displaying a scene from a BBC One comedy sketch. The video is at 00:16 of 02:52. A question box is overlaid on the video asking, "What do you think the comedy sketch is going to be about?". Below the video are control buttons for "Submit", "Skip", and a refresh arrow. At the bottom of the video player are buttons for "Delete", "Duplicate", "Edit", and "Assign". A tooltip "Can't edit videos that are assigned" points to the "Edit" button. The background shows the Edpuzzle dashboard with a sidebar for "My Content" and a list of popular channels. A QR code is visible in the bottom right corner of the dashboard area.

# Face-to-face / paper-based equivalency

Choose a tool, and with your group, think of ways in which it could be used in a classroom-based assessment activity.

Be prepared to give brief feedback on your ideas to the whole group, and add your ideas to the Padlet.
